

NEAFL CASUAL CREW REQUIRED FOR 2018 SEASON

THE COMPANY

Champion Data is a privately owned Australian sports statistics, media and technology Company delivering high quality research, content, technology and television solutions to media, sport organisations and other professional clients.

We work across all major Australian sports including AFL, NRL, Rugby Union, Football and Netball.

Currently we employ 63 permanent employees and approximately 220 casual employees throughout Australia, the company has experienced strong growth over a sustained period and has quickly moved from a small company to medium size business.

THE ROLE

We are now seeking highly motivated people to join our casual crews in NSW, QLD & NT for the 2019 NEAFL season. The roles include:

- **AT-GROUND CALLER** (call player statistics to at-ground capture operator using a pair of binoculars provided by the employee)
- **AT-GROUND CALLER SUPPORT** (assist Ground Caller with call using a pair of binoculars provided by the employee)

Reporting to the AFL Department, the **At-Ground Caller / Caller Support** will possess:

- A thorough knowledge of the rules of AFL (essential)
- Clear and concise communication skills
- High IT skills including internet connectivity, basic networking and troubleshooting
- Familiarity with Windows environments

THE CANDIDATE

The role requires a self-motivated person with extensive knowledge in AFL as well as the following skills and experience:

- A proven record in accountability, reliability and punctuality
- Capable under pressure
- Must have high availability for scheduled matches in the relevant state as per the 2019 NEAFL Fixture
- Work on a rotating roster alongside existing casual staff
- Communicate openly by exchanging information and actively listening to all stakeholders
- Work together collaboratively to achieve outstanding results
- To be a flexible and lateral thinker
- Act with integrity and honesty
- Act professionally and pursue excellence
- Teamwork and commitment are essential

APPLICATION/TRAINING TIMELINE

Applicants must be able to commit to the following throughout the screening/interview process.

- Complete a 30 minute Screening Test over the phone in September
- Participate in a skype interview on a pre-determined day/time in September/early October.

Applicants must also be able to commit to the following throughout the onboarding/training program process.

- Commit to a minimum of 15 one hour sessions with their trainer between October and March (**Caller/Caller Support roles**)
- Commit to a minimum of 20 one hour sessions with their trainer between October and March (**Capture role**)

Aligning potential applicants with the most appropriate role requires a time commitment. Please ensure you can accommodate the above estimated timeline and requirements before applying.

HOW TO APPLY

Applications will remain confidential and can be sent directly to **Ashleigh Newton, AFL Operations Assistant**, ashleigh.newton@championdata.com and **Amanda Parker, AFL Operations**, amanda.parker@championdata.com, with a resume, cover letter and correspondence addressing the above criteria by **Wednesday 19th September 2018**. Please note, late applications won't be considered.

Applicants will also need to complete this [Survey](#) which combines questions about personal details, availability and football knowledge.

Applicants must reside in advertised locations. All other applicants won't be considered.
